

SERVING SPECIAL EVENTS

WORKING WITH YOU TO ENSURE THE SUCCESS OF YOUR EVENTS MAINTAINING AND OPTIMISING YOUR FACILITIES

You host, organise or participate in events large or small, such as exhibitions, trade fairs, concerts, fashion shows, festivals or outdoor events.

We design and set up the installations needed to ensure your events run smoothly, delivering a quality experience to your customers or visitors. We also provide the day-to-day maintenance needed to keep your facilities fully operational.

VINCI Facilities guarantees the success of your events through tailored solutions:

- Design engineering
- Fluid distribution
- Sound and lighting installation and control systems
- Energy efficiency
- Comfort and security
- Multi-technical maintenance and works
